25X1	1	believed to belong to the unit headquarters,	
		f. Agdio station: No changes were observed.	
	5.	Kommendatura:	
		a. Occupied by about 150 troops wearing black-bordered crimson epaulets without branch-of-service insignia.	
25X1		Truck was repeatedly observed hauling furniture, carpets and other billeting equipment from the old kommendatura building on 23 Merch 1950. The other large kommendatura building was still vacant. Nothing was known about its future use.	
25X1		b. Passenger car occupied by a general and two high-ranking officers and driven by a sergeant with red-bordered black epaulets, left the kommendatura toward the town	
	6.		25X1
÷	7.	Six prime movers, each towing a gun and occupied by 20 to 25 troops, proceeded towards the autobahn early on 16 March 1950. The troops were red bordered black epaulots and carried rifles, blankets and equipment. Prime movers,	
25X1	8.	were seen. Fifteen officers with maps were observed at a tactical walk in the Suessenbern-Apolda (M 52/J 67) area on 20 March 1950.	
	9.	Three trucks, each occupied by about 20 unarmed soldiers	
25X1		wearing red-bordered black epaulets, went towards Berka on 17 March 1950 that the trucks	
25X1		were used for training drivers.	25X1
•	10.		25X1
25X1	11.	A high Soviet unit headquarters was located in the Sofien Krankenhaus in March 1950. There was a large concentration of officers. Colonel General Boldin was identified as the ranking officer.
